### GREENVILLE NEWS

**Death of Mrs. William Hayes in Holyoke—Former Resident Here.**

On Tuesday afternoon Mrs. Catharine Hayes, widow of William Hayes and a former resident of Greenville, passed away in her home in Holyoke, Mass., following a short illness. For the past eight years she had resided with her daughter, Mrs. Harry P. Browne, of Holyoke, but previously to that time Mrs. Hayes had lived in Greenville for a number of years. Her husband met his death in the plant of the Chelsea paper mill some years ago, while he was doing a shaft, which caught and wound him about so that he died of his injuries. Mrs. Hayes leaves two daughters, Mrs. Harry P. Browne, of Holyoke, Mass., and Mrs. Joseph J. Wolfe, of New York. Mrs. Hayes is kindly remembered by many residents here. The remains will be brought here today (Thursday) and burial will be in St. Mary's cemetery.

**Anniversary Mass.**  
Many were in attendance at the anniversary mass of requiem celebrated by Rev. J. H. Fitzmaurice in St. Mary's church at 8 o'clock Wednesday morning for the repose of the soul of Mrs. John Shea. During the mass several hymns were rendered by Mrs. M. L. Sliney.

**Home from Hospital.**  
Many friends of Mrs. John P. Casey, Sr., will be pleased to learn that she has so far recovered from the effects of the recent operation that she underwent in the Backus hospital that she was able to return to her home on Central avenue Wednesday.

**Silver Wedding Anniversary.**  
Mr. and Mrs. Eli Robillard will celebrate their 25th wedding anniversary at their home on Fourteenth street today (Thursday). A mass in commemoration of the day will be held in St. Mary's church at 8 o'clock in the morning.

**Personals.**  
George Jennings is moving from Hamilton avenue to Boswell avenue.

James Bray of Twelfth street is confined to his home because of illness.

Lawrence Nolan of Fifth street has accepted employment with the Page Boiler company.

**Cloth Weavers to Be Addressed by Fall River Speaker—Baltic Band to Play.**

Much interest is being manifested by the members of the National Federation of Cloth Weavers in the meeting which they will hold Friday night, a gentleman from Fall River will be present and he will give a talk bordering on the work and growth of the society. There will be a large program by the Baltic Brass band, and after the address of the evening, refreshments will be served. President Claude expects a very large attendance and has extended an invitation to all weavers in the village to be present and take part in the evening's program. The band will arrive shortly after 7 o'clock and will march from the post office to the society rooms. This meeting has been planned by the officers of the federation to give not only members but non-members a glimpse into the work of the society which is continually increasing in membership and consequently in size and strength.

The readers of this paper will be pleased to learn that there is at least one cure for that dreaded disease, Catarrh, which is able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive remedy known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

## KEEPING ON WITH HARBOR WORK

Surveying at New London Not Interrupted by Attempt to Hold  
Up \$1,000,000 Appropriation From the State—Out-  
door Work Has Been Completed—Preparing Estimates

At the office of the resident engineer for the state commission on steamship terminals at New London it was said without comment Wednesday that no order effecting a temporary cessation of work had been received. A report which came from Hartford Tuesday was to the effect that Governor Baldwin had ordered the work temporarily suspended.

Resident Engineer Clark, in accordance with his daily custom, was at the office before 8 o'clock Wednesday morning, arranging work for the engineers who have been engaged on the harbor survey under his direction. He was asked if the work had been ordered stopped and his answer was "No." Mr. Clark said he had read the press dispatch, but declined to answer any other questions as to the report.

The outdoor work of the survey, Mr. Clark said, had been completed. The last of the pile driving to test the bottom of the harbor was done Tuesday. For the remainder of the winter the work would be carried on indoors and it consists of plan drawing and making up estimates of the cost of construction of piers at points about the harbor.

The engineers worked along the shore from Pequot to the drawbridge. The last of the work done at East New London, the most probable location for big piers, through easy access for both railroads and deep water, was done with a pile driver and small boats and its finish was welcomed by the surveyors.

All of the New London members of the legislature are of the belief that the McNell bill to repeal the \$1,000,000 appropriation will be unsupported when it comes to a vote. This introduction of the bill found little favorable sentiment on Tuesday.

Senator A. T. Minor had the McNell resolution tabled temporarily on Tuesday.

Contributions for Ambulance.

Although the campaign of solicitation of funds for the new auto ambulance for the Backus hospital will not begin formally until next Monday, several contributions have already been received. Generous subscriptions have been sent in by Gen. Edward Harland, George W. Carroll and Arthur J. Dawley. These three subscribers will have their amounts credited to the team to which was allotted the list of names in which the donors are included, and it is little doubt that the effort will be carried through successfully, in view of the great interest shown in the auto ambulance.

**Norwich Gained 21 Telephones.**

### NORWICH TOWN

Rev. Francis Rose Writes of Dis-  
advantages Attending Life in the  
Philippines—Auction at Beetham  
Place.

Apocryph of the luxury in which missionaries abroad live, this extract from the last letter of Rev. Francis Rose of the Philippines written in December to his parents on Wauwauk Hill may be suggestive. Of the house where he lives he writes: The store down stairs was ordered out, the cats were warned and removed, dogs, goats and hogs fenced out of the yard; and all bugs, lizards and cockroaches driven to the shadows of the attic or basement for the present, where they are recovering from the results of our concerted attack on them when we began to wash down the walls and floors. Cockroaches are bugs of large size which prove to be under everything you lift up and immediately crawl under everything you lay down.

He also writes of the outlook across the Plaza, the old Catholic bell tower, the beautiful blue range of mountains hanging over the lane, the banana trees in our own yard with fruit growing on them, and on the lot next to us big high shrubs with the most delicate white and yellow blossoms.

### Serious News for Cottagers.

A letter received Wednesday from the neighborhood of East Beach, Quonochontaug states: The sand bank at East Beach is still washing out at high tide. All the cottages have been moved back to the state road, and have washed away within ten feet of this road in places. This will be a setback to building or selling on East Beach for some time to come.

### Many at Auction.

There was a good attendance and brisk selling and buying of all sorts of dairy and farm implements and farm produce Wednesday at Joseph Beetham's place, Vergason avenue. The auction began at 11 o'clock and lasted through the day. W. B. Wilcox was auctioneer. L. M. Maffit served a substantial lunch.

### Talked About Locally.

Edward Snow of Surtevant street has been visiting his aunt, Mrs. William Thorp of Westerly.

Miss Carrie Simpson of Montville was a guest of Mrs. Thomas Connelly of Tanager street.

Mr. and Mrs. Joseph Beetham moved Wednesday from Vergason avenue to Hamilton avenue on the East Side.

Mr. and Mrs. Albert Onsley and family moved this month from 188 Surtevant street to Cliff street, Norwich.

Mr. and Mrs. William Thorp and Lowell Peckham of Westerly were recent visitors at the home of George Thorp on Surtevant street.

Mr. and Mrs. Amos Wheeler and two children, of Fort Point, were visitors this week at the home of Mr. Wheeler's brother on the Scotland road.

Mr. and Mrs. John Thompson returned early in the week to Hartford after several days' visit at Mrs. Thompson's former home on the Old Canterbury turnpike.

Allison C. Rogers, a student at the Boston School of Technology, is expected at his home on Washington street today (Thursday) for the ten days' midwinter vacation.

Mrs. John S. Noland returned Wednesday evening to her home in New London after a stay of two weeks here during which she visited her brother, W. E. Hough of the Scotland road and cousins at Peck's Corner.

Miss Masters' school at Double Ferry (Richmond) being closed for a short time as a precautionary measure against scarlet fever, Miss C. C. Bachevalier of Norwich Town and others of the faculty are spending the enforced vacation at Bermuda.

### Advice to Mothers

Have you had baby's photograph taken?

It is an art to take baby's photograph as it should be taken. To catch his roguish little smile, his pretty little dimples. Such photographs become prized remembrances of babyhood's days in years to come. We have had years of experience in photographing children. They always look their best when we take them. No troublesome posing. Snap them in a jiffy.
